**(19) UNC** - We have four of our six starters back from last year and have added Joey Burkhardt, who played #2 singles and #1 doubles for Florida last year. Jose Hernandez advanced to the finals of the ITA Regional and the Quarterfinals of the ITA All-American. Burkhardt/Hernandez won the A flight doubles title at the UVA Ranked +1 Invitational and were finalists at ITA Carolina Regional. William Parker did not play for us last year, but has wins over two ranked players this fall. Boyajian qualified for All-American MD for second straight year.

**(22) Wake Forest** - David Hopkins is returning from a redshirt season last year. His freshman year he played #4 singles for our top 20 team that year. We are looking for him to make a big impact on the lineup this year.

**(25) Georgia Tech** - Guillermo Gomez won the Southern Intercollegiate Championship in September in Athens, Ga., and reached the quarterfinals of the USTA/ITA Southeast Regional in Gainesville, Fla. Kevin King and Juan Spir won the doubles title at the USTA/ITA Southeast Regional, were the runner-up at the SIC and made the semifinals of the USTA/ITA Nationals. Dusan Miljevic reached the semifinals of the USTA/ITA SE Regional

**(26) Michigan** - We lost Sroczynski and Navas from last year's team of 7 players that was #26 and 8-2 in Big Ten. We were fairly weak at #3 and #6 last year. We feel that three of the freshmen we have (Rossi, Bernstein, and Franks) are at a comparable level to the guys we lost, and those three and Chris Madden and Chris Cha are all at a similar level. Chris Madden, our MVP the last two years, missed the fall due to injury but is on plan to be back for the start of the dual match season. I expect to be stronger at each spot of our singles and doubles lineup this year, with the possible exception of #2 doubles.

**(27) Fresno State** - Boutillier/de Villiers won the backdraw of ITA All-American doubles, defeating No. 8 Quigley/Cox from Kentucky along the way. David Ayoun won the Bulldog Classic ITA Fall Event.

**(28) Washington** - I would like the committee members to note that we had only the one loss to a team outside of the top 20 last season and that we did so with players that were injured and needed surgery. Those players are now healthy. McMorrow had hip surgery immediately following the season and is now healthy and was 9-2 this fall. Bator had foot surgery immediately following the season as well. He was not able to play for us at the end of the year and he has been 100% since late July. As a 5th year senior, he has taken the fall off and has been playing non-collegiate events. Marton Bots has been here since last January and is eligible starting this coming January.

**(30) Rice** - Isamu Tachibana's limited play in the Fall was due to his preparation for the MCAT. Sam Garforth-Bles, who played 3 at the end of last season, is also in the mix for a starting position for the Owls. I would also add him to the list if I could put down 8 players.

**(32) Auburn** - Five of six starters back off last year's team. Including our top four guys from last year

**(33) Minnesota** - Rok Bonin won the Denver Pioneer Invitational. Rok Bonin and Julian Dehn won the doubles championship at the Lakewood Ranch Intercollegiate Clay Court Classic. Julian Dehn advanced to the semifinals of the Big Ten Indoor Championships.

**(34) Alabama** - Doverspike and Chadwell were limited this fall because of injuries but we're confident they'll be back at full strength in January.

**(36) BYU** - Returning all members of the team except for Cassidy Mears, who played at line four, and replacing him with Patrick Kawka who had an impressive fall with a significant win over Daniel Kosakowski of UCLA at the Southern Cal Intercollegiate.

- At the USTA/ITA Mountain Regional it was an all BYU doubles final between Thomas Shubert/Spencer Smith and Evan Urbina/Patrick Kawka.

- The regional singles tournament saw four cougars in the round of 16 (Thomas Shubert, Evan Urbina, Patrick Kawka, Spencer Smith) and two in the quarters with Evan Urbina having to pull out of the semis due to Sunday play issues.

- Shubert/Smith would represent BYU at the National Indoor Intercollegiate Championships, while Kawka/Urbina would go onto the Southern Cal Intercollegiate where they would defeat UCLA's Max TaBa Truong and Jeff Gast prior to defeating the No. 4 seed Peter Lucassen and Ray Sarmiento from USC in the quarterfinals before falling to the No. 1 seed from Pepperdine 9-8 in the semis.

- In singles at the Southern Cal Intercollegiate, BYU freshman Patrick Kawka would defeat No. 2 seed and former No. 1 recruit in the nation according to tennisrecruiting.net Daniel Kosakowski of UCLA.

- Evan Urbina and Patrick Kawka also found success at the University of Utah Fall Invitational as both made it to the singles final with Urbina claiming the title. In doubles at the same tournament Daniel Hwang and Spencer Smith earned the title over BYU's George Batrakov and Tyler Loong.

(37) **Tulsa** - We had a very young team last year. We have 5 sophomores in one Junior in our submitted starting line-up. The guys should be more mature this year, and we should have a better year. 5 or 6 of guys have had wins over nationally ranked players this fall.

Marcelo Arevalo proved his might by defeated the No. 1 player in the country, Tennessee's John-Patrick Smith, in the ITA Championships. Four other members of the Golden Hurricane posted victories over ranked foes, headlined by Ashley Watling defeating No. 37 Casey Watt. Watling and Clifford Marsland posted a 6-1 mark as a doubles team. Marsland defeated No. 22 Jeff Dadamo at the ITA All-American Championship, and Tristan Jackson defeated No. 71 Tobias Wernet in straight sets at the ITA Regionals. Grant Ive was a perfect 2-0 against ranked foes, downing No. 124 Kalle Nordberg of Ole Miss and No. 61 Christopher Aumueller of Nebraska at the ITA All-American Championship.

(38) **Notre Dame** - This is the deepest team I have ever coached. At this point Blas Moros, David Anderson, Niall Fitzgerald, and Tyler Davis are just outside of our top 6. All played significant roles for us in singles in the past. Havens has become a tennis player this fall. Greg Andrews and Billy Pecor are among the top freshmen in the country and should start. We had 3 doubles teams reach the quarters in our Midwest Regionals and 5 singles players in the round of 16, with 3 more losing in the round of 32. Watt beat Chase Buchanan to reach the semis of the singles.

Keys to our success will be winning at the top, improving our doubles, and keeping everyone happy with playing time opportunities. We hope to be a top 15 team this year. Dan Stahl, Greg Andrews, Sam Keeton, and Billy Pecor could all play as high as #3. Another key will be seeing the freshmen [Pecor, Andrews] play as well in dual match competition.

(40) **Vanderbilt** - Charlie Jones was injured for most of the season last year but is completely healthy this year. This team only lost one player in the top 6 and is replaced by a freshman who has done fairly well so far this fall. We are going to have two seniors at the bottom of the lineup with a lot of experience. Ryan Lipman has emerged as one of the top players in the nation after an outstanding freshman year. All of our probable top six players have winning fall records.

(41) **Nebraska** - We feel like we are just as strong or stronger as we were a year ago. We return our top two players from a year ago, and our No. 3 player this season is junior with a ton of experience, who had an impressive fall where he won 12 matches.

(50) **San Diego St.** - For the Southwest regional ranking committee members: Vaglietti / Nicholas have three strong wins in the region: Henderson/Cheung UCI, Koningsfeldt/Recknagle UCSB, and Poldma/Lucassen USC. They made the quarterfinals of the Regional Championship before losing to Meister/Inbar UCLA, who won the tournament. Please consider them for a regional ranking.

(51) **East Tennessee State** - We have 5 of 6 returning starters

(52) **TCU** - TCU returns five regular starters from 2009-10 and boasts four seniors and three juniors to enter 2011 with a veteran squad. The Frogs' top three singles players (Emanuel Brighiu, Zach Nichols, Slah Mbarek) have all been ranked in the ITA top-100 in their careers. TCU has all three doubles tandems from 2010 returning for action this spring.

Brighiu reached the semis of the Texas Regional this fall, knocking off three seeded players. Brighiu and senior Chris Price earned a preseason ranking of No. 23 after reaching the NCAA Championships in 2010 and going 6-4 this fall.

(54) **USC, Upstate** - Only one tournament was played by the men's team but no results were calculated since the season was put on hold due to NCAA compliance issues with the tennis team.

(55) **Clemson** - Derek DiFazio our number one player played two Futures Pro Circuit events this fall. The first was in Austin, TX where he qualified into the main draw (beating Antonio Ruiz-Rosales #1035 ATP singles) and lost to Ben Chen from University of Texas first round. The second futures in Birmingham, AL Derek qualified again (beating Nathaniel Gorham #1514) and won his first round match over former All-American from Harvard Ashwin Kumar (ATP singles #781 doubles #252) 6-3, 6-3. Derek is currently ranked in the 1500s ATP singles. Yannick Maden will compete for the first time this Spring, but has been on our roster since Spring 2009 serving a year on residency. Yannick qualified into a Futures last Spring in FL defeating Roman Recarte (currently 700s ATP) to do so. Yannick was ranked as high as #7 in the German juniors, and #97 in the German men's.

(56) **UC Irvine** - Kearney and Gould made it to the semi-final Southwest Regional Doubles, losing to Johnson/Sarmiento from USC

(59) **NC State** - Matt Thomson has recovered from elbow surgery and is comparable to his twin brother Dave Thomson. Dave Thomson was nationally ranked last season for several weeks and he reached the semi-finals of the Carolina Regional this fall. When fully cleared in December we expect him to be in the line up in both singles and doubles. In addition we also have Julian Sullivan back after a missed term and he played 4 singles for us in 2008/2009.

(62) **Northwestern** - Team lost only one senior to graduation last spring; Two players who were starters two years ago are now healthy again and ready to contribute; Top three singles players return

(63) **Iowa** - We were ranked 63rd nationally at the end of last year, after being in the 50's for much of the year. We had 5 Big Ten wins. I am confident that we will be stronger this year. We return 4 of 6 starters and those 4 had our best records. The 2 seniors who started last year will be replaced by 2 freshmen who are considerably better. I also expect our doubles to be considerably stronger. Our fall records were not great, but we had many of our guys playing "up" a flight or two. I see us as a top 50-60 team.

**(67) Harvard** - We added two players to a good line-up that lost no starters: Jon Pearlman, who played #1-#2 for Brown two years ago, and Casey MacMaster, a freshman, who was ranked 10 in singles and #1 in doubles in the USTA 18's last year.

However, Alexei Chijoff-Evans, who played #1 for us last year, has taken the last 6 months off, but is trying to come back. We do not expect him to regain his form to play #1.

Last year, we were competitive at #1 and #4-6, but had trouble winning any matches at #2-3. This year, I think we will be stronger throughout the line-up, except perhaps for #1 position, and a bit stronger in doubles, as I think our #3 team will be stronger than last year.

**(73) Arkansas** - Much improved..Led by two seniors Nott (ranked in singles and doubles) and Hogan (ranked in doubles, past top 40 in singles)...team was Very successful this fall with many national wins including our number 5 with a win over a ranked player...expecting to be in the top 35 this spring.

**(74) UCF** - doubles team of Joe Delinks and Blaze Schwartz hold a doubles pre-season ranking of #52. They made the quarter-finals of the Southern Intercollegiate in Athens.They also won our Fall event in October. Claudio Romano defeated Wael Kilani of South Florida in Gator Invitational who was ranked #53 in the country. Freshman Matt Glastone won player of the month for C-USA winning two Fall tournaments.

**(76) San Francisco** - Thai Tu made Finals of the Battle in the Bay. His only loss this Fall has been to Ray Sarmiento (USC) -- significant win over JT Sundling of USC (ranked #102) - Tu was regionally ranked in each segment last season and only lost 3 regular season matches w/ 4 top 125 ranked wins. In doubles Tu and Schumacher although not playing much together due to injury should get regional ranking consideration. They are just as strong if not stronger than Tu/Cohen last season who were regionally ranked in the Northwest last season. They made it to the finals of the Gaels Invite. USF Team had a season high ranking of #60 last season with win over #53 Santa Clara as well as 4 other ranked wins -- this years team is stronger with two new players entering our top 3 positions in our line-up.

**(77) UNC Wilimington** - Team was ranked as high as #48 nationally last year. 3 players joining us for the spring, at least 2 of them will have impact on the line-up.

**(78) Cal Poly** - Last year we sat out our #1 player due to injury. We have him returning along with everyone else. We picked up a very good player for January that will play at the top of our line-up. We should be significantly better. Please consider us to be in the top 75 in the country.

**(80) Pacific** - At the SDSU Fall Invite, Ivan Castro and Artem Gramma made it to the finals of the A flight with Ivan winning. This to me shows there strengths as top players for my team. Both Ivan and Artem lost to Stanfords #2 and 3 in close matches. Ivan didn't have a negative loss in the Fall in singles.

Fernando made the quarterfinals of the Regionals with wins over Dehain of Cal and losing to the eventual champion in three sets with opportunities to win the match.

Tomasz in the back draw of the Battle in the Bay reached the finals, in the back draw of the SDSU invite, beat USD's #3 from last year and UCI's #5 from last year 6-0 6-1.

**(84) Stetson** - Njal Stene was injured all of Spring 2010. He is back 100%. As a freshman in 2009, he played #3 and #4 and had a 21-11 record.

**Ball State** - Cliff Morrison did not play this fall due to knee injury but will be ready for January.

**Boston College** – As a team I think we finished last season with a #7 regional ranking after being in the national rankings for a very short time. We only lost one starter from last year's team. This past fall Raude had a win over Turudic from Upenn and Skinner had a win over Tchan from Harvard and Faust from Princeton.

**College of Charleston** – We are returning the same team as last year where we were ranked as high as 60. Our number 5 player last year has moved to #3 and reached the round of 16 in the Carolina Regional tournament.

**Eastern Kentucky** – Alex Das was Ohio Valley Conference Player of the Year in 2010 with record of 24-6 overall last year. Hugo Klientovsky notable wins in Fall 2010: def. Adam Baker(Vanderbilt) 1-6,6-2,7-6, def. Vikran Reddy (Alabama) 7-6,7-6, def. Zac Dunkle (Samford)6-1,3-6,6-3, def. Oliver Stecker (lipscomb) 6-1,6-4.

**Elon** - Our team returns everyone from last year plus a top national recruit. Our team last year lost in our conference championship match 4-3. Nemec-Helpingstine made quarterfinals in doubles in Regionals.

**Illinois State** - Last year's team was in the top 75 for 2 weeks as high as #66 but finished outside the top 75 at the end of the year. We returned our top 5 players from that squad and upgraded our doubles at least with the addition of our lone freshman this fall. In addition, my top 2 guys Reichelt and Pelaez have taken their games to a new level this fall and both should contend for national rankings in singles and doubles this year which should allow us to be competitive against almost anyone at the top.

**Northern Arizona** - During the fall, Hugo Ramadier defeated No. 107 Jason Zafiros of No. 31 Arizona, Kasper Konyves of No. 64 UNLV, and Armando Morales of No. 66 New Mexico State. Patrick Schimmelbauer defeated Alex Clinkenbear of No. 39 Denver and advanced to the Flight A Semifinals of the Balloon Fiesta Invitational. Dominic Bermudez defeated Mike Nott of No. 73 Arkansas and won five matches to win Flight B of the Balloon Fiesta Invitational. The doubles team of Ferreira and Ramadier defeated Charlie Alvarado and Rene Ruegamer of No. 64 UNLV in the ITA Mountain Regional Championship. No. 1 singles player Andrew Reiff was injured for most of the Fall season.

**Princeton** - Our #1 singles player (Pecotic) beat three nationally ranked players to reach the finals of the ITA Regionals (#60 Akash Muppidi, #115 Marc Powers, #116 Arnav Jain). Our #1 doubles team (Spindler/Bloom) lost in the finals of the ITA Regionals and our #2 doubles team lost in the semis of the ITA Regionals.

**Southern Illinois University Carbondale** - Fabik 17-1, won three fall tournaments (Purdue A, Austin Peay A, Paducah Men's Open) Rd. 16 at Regional. We add Rodier from Tyler Junior College. We will most likely start two freshman.

**Tulane** - We added two players to the top of our lineup and our All-Conference player from last year, Rappaccioli, will prob be playing #5. Idan Mark, has two ranked wins this fall over #52 and #125. Ionescu at #2 is a transfer who played #1 for Nicholls St with a 12-8 record. #6 Ohashi had 6-0, 6-4 win over Alabama's Michael Thompson in main draw of ITA Regional. #7-8 Norregaard was ranked #3 in Denmark and had a 6-4 record in the fall. Our team had two 4-3, last match on, losses to top 60 teams last year, and I feel our added depth at the top and bottom of our lineup should put us in consideration for a team ranking this year.

**UMKC** - Summit League Regular season champion (No matches lost)

**UNC Greensboro** - has had two straight winning seasons. We won the Southern Conference Tournamnet last year and advanced to the NCAA Tournament. We did not lose much from last years team and have a strong recruiting class. Orcun Seyrek should be ranked. He made the round of 16 of our regionals. Last year he was 28-5 playing number one singles including wins over Clemson and Maryland.

**Wichita St** - We are returning five of the top six players from last year's MVC Champion team. We have three new freshman, two of whom we expect to play at the top of the lineup.

This fall Pereira beat two players who reached the semis of their regional tournament (Jackson and Goritzka) and Oklahoma's top freshman (Mihov). Nicol beat Barnes of Tulsa. Cavalcanti beat two of Oklahoma State's top six, including their top freshman (Biktyakov). Estensoro beat Ole Miss's number four player (Skogeng) at the All-American.
